During a conference which was attended by leading members of the Bauunion
Sued in mid-September 1954, mention was made of intended construction work
at Alt Loennowitz and Grossenhain airfields.

Comment. The intended construction work at Alt Loennowitz and Grossenhain
airfields is reported for the first time. It is possible that construction
work is to be done on quartering facilities for Soviet dependents and AA units,
as was previously reported from Finow airfield.
